

### Summer Camp 2017 – Kit List

We will be outside all day every day, often afloat so come prepared! Your kit should be packed into as few bags as reasonably possible with nothing packed into bin liners or plastic carries bags please.

Wetsuit	If you have one.
Water activity kit	At least 2 sets of stuff to get wet in. Shorts, t shirts, joggers etc. Quick dry stuff is best. (Mountain warehouse have stuff in and offer 10% discount if you take your necker) You may prefer to wear swimsuit and t shirt under wetsuit rather than underwear.
Water shoes	Old trainers will do. 2 pairs will save you putting wet ones on in the morning but don't worry if you only have one pair. Flip-flops, Crocs and other open shoes are no use on the water.
Dry bag	One of those nice roll-top things
Rucksack	For hiking and day out in Whitby
Waterproof coat	One for time on the water and one for time on dry land.
Dry shoes for the rest of the time	Trainers/sandals etc. No crocs thanks!
Hiking boots or strong shoes	We will be hiking and pioneering
Sleeping bag, mat and pillow.	Although we're at an activity centre we plan to camp outside in tents
Torch	With fresh batteries in it
Sun hat and cream	Fingers crossed.
Fleece /warm jumper	For sitting round the fire at night
Trousers	You know the drill....no jeans! A couple of pairs for evenings and for hiking day in case it's not sunny
Shorts	For dry wear in case it is sunny!
T shirts	Different to your water kit for the evening
Underwear	Several changes. Remember you will probably get wet every day
<b>Uniform</b>	Don't forget it!! No excuses
Black bin bags	For your dirty washing. Try to dry your stuff before you put it in or it will be mouldy and very smelly by the end of the week!
2 large towels and one small	You are going to be wet on a couple of occasions and you will be showering at camp.
Personal wash kit	Don't forget your toothbrush!
Drinks bottle	You will need this every day for hiking etc.
Packed lunch for Saturday	Bring it in a box which you can then use for the rest of the week
Money for day out in Whitby	Max £10. Just enough for an ice cream/drink etc

Please make sure everything has your name on it.

No electronic gadgets of any kind thanks. You won't have time to play with them and we don't accept any responsibility for loss or breakages.
