

CUBS : Welcome back. We hope you had a great Easter holiday.

The programme is on the reverse of this letter, it will also be posted on 1st Barton Scout Group website should you lose or misplace yours.

We have lots of fun things planned and as usual all activities and details are subject to change. Please watch out for text messages giving you up to date information. If you don't hear from me then the activity will take place as advertised on the programme. Do I have the correct contact details for you and anyone else who you want to receive the information?

Please endeavour to arrive on time, in full uniform (including a necker) bring a coat and wear sensible shoes for running about.

However, most of this term, as you can see will be spent at our new site near Melsonby. Every time we are there Cubs do NOT need to wear uniform. They MUST wear boots or sturdy shoes; it is uneven and there is a wooded area for playing in.

With thanks

Christine, Bex, Ian, Sally, Esther

Christine : 07799 707677

Bex : 07955 639959

8 th July	Pioneering	New site
15 th July	Baby Shower	Venue tbc
22 nd July	Last night – Water fight	Venue tbc

New site – directions.

From the crossroads at Melsonby head towards Aldbrough St John.

It is the second track along the road on the left hand side. First track is a road to Langdale. Second track is made obvious by a very large manure pile at the entrance.

It has been roughly tarmacked for us. Either park at the manure and walk along the track or you can drive along to a very small car park area at the entrance to our new field.

Please be sensible at dropping off and picking up times as it is going to get very congested with traffic. We appreciate your patience with this.
