

Now we have all caught up with some sleep, and made it through to the end of term, we thought it would be nice to share some photo's and memories from Family camp.

Caitie's Investiture

It's always special to invest a new leader—but to be invested at family camp is extra special.

Our littlest camper...
Ava Brookes,
7 weeks old.

Our wonderful Leaders and helpers, without whom Family Camp (and Barton Scouts) wouldn't happen. From the

bottom of our hearts a huge **Thank you.**

"I liked all the activities on Saturday, even though it was really hot! Vicky's cooking was delicious" Flo x

I loved sleeping in a tent and getting the top bunk! Isaac

I loved all of family camp but my favourite part was meeting new people and spending time with my friends. I loved all the activities especially the string trail. India

I loved doing the washing up with my friends. I enjoyed the backwoods cooking because it was in the woods!

William P

This was our first family camp and we had such a fantastic time! The weekend ran like clockwork for us all, thanks to the hard work put in by the leaders. It was both fun and rewarding to work together as a team (I have never seen Charlie so enthusiastic about washing up) and to spend time with good friends, old and new. We are already looking forward to the next one...!

The Walton Family

Amazing trip for everyone. I loved pokey stick!

Water, fire and a giant stick, what's not to love?!

Jen

I enjoyed the string trail because you were blindfolded and had to go round obstacles, it was nerve wracking. I loved the backwoods cooking because I got to eat stuff that I cooked. Sleeping in the tent with George by ourselves was cool, no grownups! Daniel

We loved the String Trail because there were many interesting sensations. Alex & Kate

PIC COLLAGE

The activities were fun, I liked frisbee golf.
Euan

I had a brilliant time at camp.
I loved playing in the River, and I
even managed to get a bullseye
on the Archery!!! Charlie

I loved everything! Can I be a cub, scout then explorer so we can go to scout camp every year? Eli

My favourite part of family camp was all of it. It was brilliant and I loved it. Best bits for me were spending quality time with my daughter, seeing her have such a great time, doing activities together as a team and learning new skills, the other families we met (everyone lovely, friendly and welcoming), the camp fire (can't get Alice the Camel ... out of my head), the location, the food, winning - still in shock about that! I think I should have been a Scout! Judith x
